Serving the Community Since 1982

Join us on Saturday, June 25 for a self-guided tour of some of the most beautiful gardens in the Joliet, Plainfield, Shorewood, Crest Hill and New Lenox communities.

All proceeds raised from Timmy's Garden Walk will benefit the Pediatric Program of Joliet Area Community Hospice (JACH). The Pediatric Team provides comprehensive care and emotional support for terminally ill children, their caregivers and loved ones.

Whether it is a park-like setting with a little cottage shed or an expansive pond filled with goldfish; there is a garden for everyone to enjoy on this walk.

Grab a friend or two and enjoy a wonderful day of strolling through multiple private gardens for an excellent cause.

### Timmy Davis and Family

*Timmy was a patient of the JACH Pediatric program for 11 years before he passed in 2012. His grandparents are avid gardeners and Timmy was always at peace when he was outdoors or in the family pool.*

*The Sullivan family began Timmy's Garden Walk as a way to give back to JACH; now they continue the Garden Walk as a way to give back and remember their grandson.*

### Celebrating our 10th Garden Walk Anniversary with more raffles than ever!

Guests are encouraged to bring cameras and questions for these magnificent gardeners.

After registering, your map/ticket of admittance for the gardens will be sent to you via mail.
